

## HOW RED ALERT CARD WORKS

- 1. Present Card at Red Alert panel clinic for verification**
- 2. Swipe Card at terminal for Letter of Authorisation (LOA) to verify eligibility**
- 3. LOA indicates claims eligibility, history of last 3 visits, ICD codes and MC days**
- 4. Proceed to see the doctor and collect medication**
- 5. Swipe card to input visit details i.e., itemized charges, ICD Codes and MC days**
- 6. Letter of Confirmation (LOC) signed by patient after verification of charges.**
